International President  
International Longshore and Warehouse Union

Dear Brother Willie:

On behalf of over 100,000 affiliated members of the world-wide International Dockers' Council, we extend our collective condolences on the passing of Wesley Furtado, ILWU International Vice President from Hawaii. Please convey our deepest sympathies to the Furtado family and to his Sister and Brother members of ILWU Local 142.

Brother Wesley's labor career representing longshore and warehouse workers reached legendary status as he always put the ILWU's motto "An Injury To One Is and Injury To All" into all his efforts. The power and strength of the ILWU throughout Hawaii is testament to his leadership and dedication to his union.

Dockers around the world shed a collective tear on the passing of Brother Wesley Furtado. May our work in the future, protecting the rights of dockworkers around the world, be enhanced and strengthened by the memory of the works and the principles of Brother Wesley Furtado.

Respectfully,

Dennis A. Daggett
